

From Red Lion turn right up Stainland Road, and right again to go down Stainland Dean. At the junction at the end of Stainland Dean go straight across onto Berry Mill Lane, bearing right at the next junction down to the converted mill buildings in the valley. Follow the road through the new buildings and left at the end up Hey Lane, which leads to New Hey Road. Turn left onto New Hey Road, go over the motorway bridge and turn left again, go down Marsden Gate and Park Lane, turning left at the bottom onto Stainland Road back to Stainland.
